Subject: Optical/Mechanical Service Contract

Reference: 25X1

Enclosures: (1) W.E.B. Qualification Brochure

(2) Schedule of Labor and Overhead Rates, Fixed Price Rates and Time and Material Rates

Gentlemen:

is pleased to submit this proposal 25X1
to furnish, on a quick reaction basis, optical/mechanical services in support of scientific in-house projects. It is understood that work under this proposal will be issued in individual work orders under a basic Fixed Price or Time and Material type of contract agreement for a period of eighteen (18) months from the effective date of the contract. Performance of work on this contract will be undertaken at our located in 25X1
Rockville, Maryland.

As indicated in the enclosed Qualification Brochure, the 25X1
is set up to provide study, engineering design and fabrication services 25X1
in optics and associated high precision, electronic, electrical and mechanical instrumentation. We propose to furnish services under the following three (3) broad areas:

1. Optical Design, optical fabrication and evaluation and testing of optical systems.

2. Mechanical Design, Drafting and Fabrication Services

3. Miscellaneous Scientific Analysis and Laboratory Equipment Design
